Reading Tip

Ask your child to look at the cover of a book and predict what will happen. This allows them to spark their imagination and use deduction skills to predict a story's plot based on a picture.

Weekly Highlights

This week our school posted clothing displays where students can explore the many textures, elements, and vocabulary of clothes!

The entire school participated in National Scribble Day, based on the book *I'm Not Just a Scribble* by Diane Alber, where they made their own scribbles and brought them to life in this school-wide display!

Classroom Spotlight: Ms. Lazaro & Mrs. Yudman

Ms. Lazaro's class celebrated St. Patrick's Day working as a team to construct a leprechaun trap out of a milk crate! Though they weren't quick enough to catch him, they did catch a glimpse of the mess he left behind.

Mrs. Yudman's class starts their day with a morning meeting, where they showcase their knowledge of uppercase and lowercase letters, play the Name Game with rhyming words, and review the day of the week. We even got up and got grooving to some educational songs!
