Ms. Josephs'class played different board games in math small groups! It helped students with number recognition, color recognition, counting and taking turns. They were able to be student led and friends helped each other play!
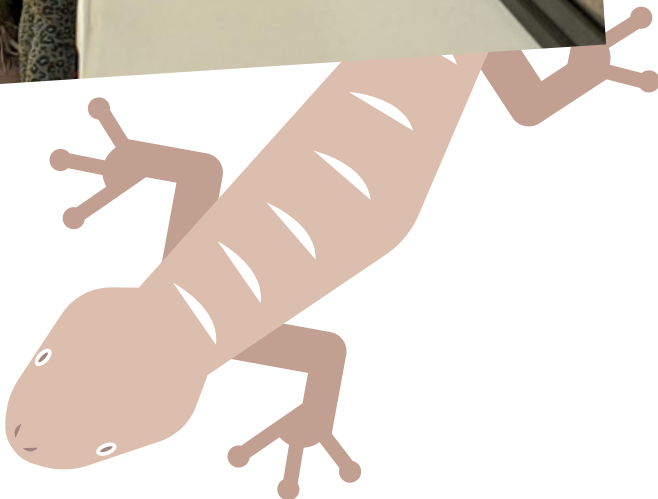

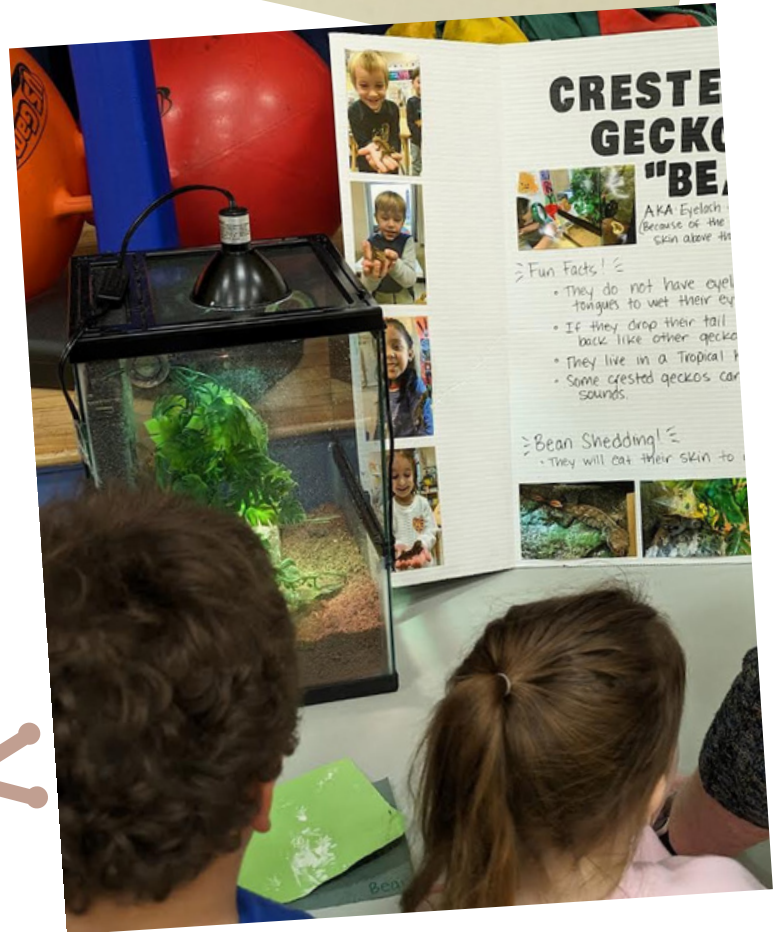

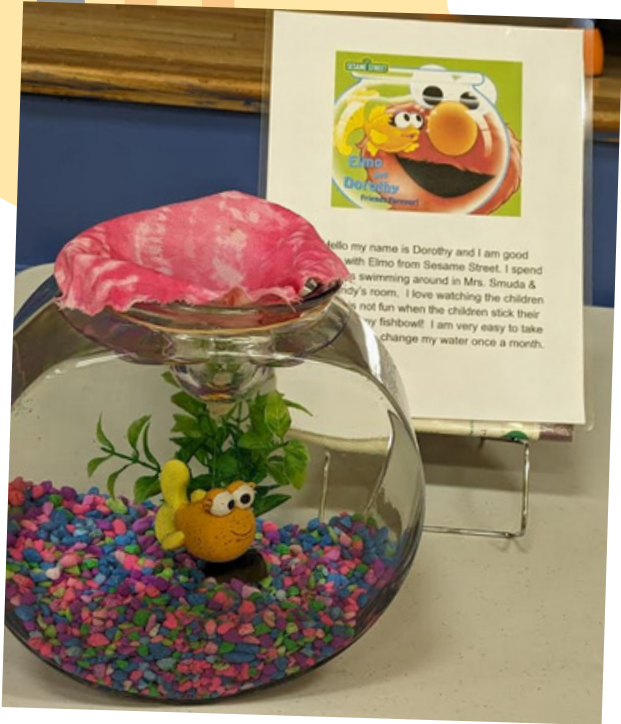

Mrs. Smuda and Ms. Sandy's class welcomed two hamsters to care for during the month of February as part of the Pet Study. Each student was able to take home either Hammy or Hammette for two nights. Everyone did a great job making sure our hamsters were well cared for by feeding them, brushing their teeth, tucking them into bed and having fun with them. Along with Hammy and Hammette were Pet Stories to read, a Journal Page, Pet Memory Game, Alphabet and Number Match. The children were so awesome they each earned a hamster of their own to take home, care for and keep!
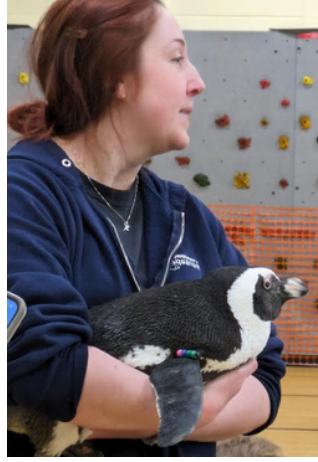

Students participated in the Kid's Heart Challenge this month and participated in fun gross motor challenges!

Thank you to the PTA for a fun morning learning all about penguins!!

Mrs. Campos' class felt inspired after the assembly and painted their own penguins!

Mrs. Foster's class had fun this month learning about pets and celebrating Valentine's Day together!
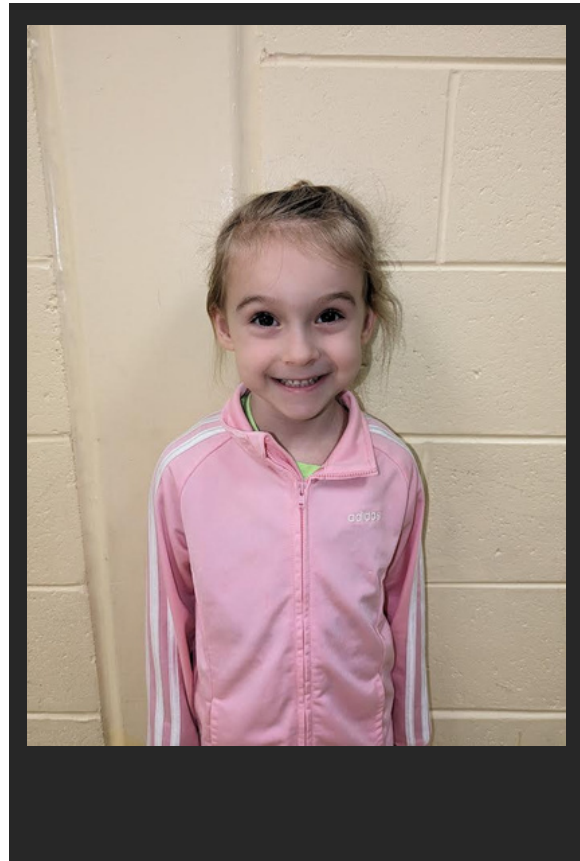

UPSTANDER OF THE MONTH

Trait of the Month: Leadership

Avery Blessing

Avery is an outstanding leader in our PreK classroom. Avery sets an excellent example for her peers. She consistently follows classroom rules and is always willing to help her classmates. Avery is ready to bring her leadership skills to Kindergarten next year! She is truly a pleasure to have in the classroom.
