Weekly Highlights

This week, many of our classes wrote letters and made good luck charms to send to the father of one of our students who is being deployed. Thank you to those keeping our country safe!

This Friday was Inside Out Day, check out these two students who dressed up!

Classroom Spotlight: Mrs. Foster

Mrs. Foster's class continued their pet student this week by bringing in their own "pets" from home to share with each other. During Choice Time, they took their animals to different stations where they made collars, and even cooked them food to eat!

The class also used their fine motor skills to create pictures of their favorite pets out of paper, pipe cleaners, and paint! What is your favorite pet or animal?
