Request For Proposal Engineering Services RFP 24-03

In accordance with N.J.S.A. 18A:18A-42 et. seq., the Barnegat Township Board of Education is requesting proposals from New Jersey professional engineering firms with previous school experience.

Scope of Work:

The successful contractor must have a minimum of five (5) years' experience in full engineering services for a NJ public school. The engineering services desired include, but are not limited to preparation of plans, specifications and estimates of costs for construction projects, detailed studies on specific items, conducting investigations, preparation of reports, land surveying activities, construction inspection, and construction contract administration. Proposals are being solicited through a fair and open process. The successful firm/individual shall provide at his/her own expense for the technical assistance necessary to develop the work for the following specialties, if needed:

1. Preparation of plans and specifications for construction projects for a portion or the entire project. Services may include preliminary plans and cost estimates, necessary field work, drafting, design, surveying, bid assistance, construction inspection, and project management.
2. Preparation of specialized engineering studies on a variety of subjects including, but not limited to drainage studies, and construction feasibility studies.
3. Coordinate, facilitate and/or attend project-related meetings, such as pre-bid, preconstruction and project progress meetings.
4. Construction administration and engineering including, but not limited to review and approval of material submittals, daily construction observation and documentation, coordinating contractor's work and preparation of Engineer's Certificates.
5. Surveying activities including, but not limited to topographic survey, title search, easement legal description preparation, construction staking and cut-sheet preparation.
