

CHILD CARE PROVIDER FORM

20__ -20__

Child Care Provider Forms **must be renewed each year** for bus scheduling purposes. Parents wishing to have their student(s) transported to and from a child care provider must complete this form and return it to the Transportation Department and/or the student(s) school. All bus changes take 48 hours to process. **Please do not wait until September to make child care arrangements.** Waiting until September to make arrangements to have your child ride the school bus to and from a child care provider could result in having your request denied because that particular bus is full.

FORMS RECEIVED THE FIRST WEEK OF SCHOOL WILL NOT BE IMPLEMENTED UNTIL THE SECOND WEEK OF SCHOOL.

Please note on this form if the student will be attending child care for both the morning and afternoon. Busing arrangements must remain the same every day. Please call the Transportation Office at 609-698-5816 x2 with any questions or concerns.
